## Music for the Young Child

Kids in Harmony classes will get you exploring musical play with your child! We strive to build confidence, develop academic and motor skills as well as further communication skills in this developmentally focused music class. Reap the benefits at home after sharing this bonding time with your child! Classes are taught by music therapists who provide live music and are fully inclusive of children of all abilities. Register today for this enriching opportunity to move, sing and explore musical play!

**CONTACT SHELLY at 515-494-4618 OR FOLLOW THE ONLINE LINK TO REGISTER TODAY!**
