

## **Autism Society of Iowa College Scholarship Program Application**

The Autism Society of Iowa has four different scholarship opportunities:

### **1. The Zach Paulsen Memorial Scholarship For Students With Autism Disorders**

Zachary Paulsen was born with a desire to know how things worked. He loved to know how things were put together and why they worked. He loved to repair bicycles, lawn mowers, snow blowers, and motors of any kind. He also “loved” tools. Zach graduated and received a degree from WyoTech in Laramie, Wyoming in Diesel Technology. His desire was to work with large machinery. Zach’s life was cut short at the age of 21 but all that knew him would agree that he could go anywhere he wanted with his amazing ability to repair just about anything.

THIS SCHOLARSHIP IS DESIGNED FOR STUDENTS WITH THE DESIRE TO STUDY in Automotive Technology, Collision Refinishing, Diesel Technology, Marine Technology, Motorcycle Technology, HVAC or Plumbing & Heating fields.

### **2. A scholarship for a student who resides in Iowa, who is on the autism spectrum.**

3. **The Sue Baker Memorial Scholarship** - For a student, who resides in Iowa, who will work in the field of autism upon completion of their post-secondary education.

4. **The Robert and Clarice Burkgren Honorable Scholarship** - For an existing college or graduate student, who resides in Iowa, who is currently in a field of study to assist those with autism spectrum disorders upon graduation, or is currently working in the field while obtaining an advanced degree.

The Autism Society of Iowa Scholarship Program, administered by the Autism Society of Iowa, provides the following scholarship(s) in the minimum amount of \$500 to be applied toward the completion of an accredited, post-secondary educational or vocational program of study (e.g., college, trade school, etc.).
