

**SPLASH for Autism-
Waterloo**

**Saturday, July 25
12:00 PM - 2:00 PM**

COVID Guidelines:

- Swimmers are not required to wear a mask while using the facility.
- Lifeguards are not required to wear masks as long as they can maintain social distancing.
- Do not attend if you currently have symptoms or have been in contact with anyone with a confirmed COVID-19 diagnosis in the last 14 days.
- If anyone attending or within your household is experiencing any of the following symptoms, we ask that you please stay home: fever, cough, shortness of breath, or any other cold or flu-like symptoms.
- Ideally, children should be dressed and ready to swim upon arrival in order to minimize gathering in locker/changing rooms.
- Whenever possible while on deck or in the pool, families should maintain social distancing.
- Don't forget a towel or goggles (if you want them) as they will not be provided.
