

Are you or do you know a parent of a child with Autism?

We are looking for parents of child with Autism Spectrum Disorder (ASD) to participate in our interview study. The Study aims to understand the relationship between **level of parenting stress** on **child's communication skills**. Participants will also receive \$40 for your participation.

Eligibility

- PARENTS OF CHILDREN WITH A DIAGNOSIS OF AUTISM SPECTRUM DISORDER
- CHILDREN MUST SPEAK/SIGN LESS THAN 30 FUNCTIONAL WORDS
- CHILDREN MUST BETWEEN THE AGES OF 4 AND 10 YEARS
- WILLING TO SPEND UP TO 4 HOURS OVER 2-3 CALLS
- LIVE IN MIDWESTERN US

Benefit

This study will include no-cost parent and child assessments administered through parent interviews, including level of parenting stress and children's communication abilities.
